- Leveling adjustments allow TV to be perfectly positioned after hanging.
- Slide TV side-to-side for perfect positioning on the wall.

Full-Motion TV Wall Mount

The SANUS VuePoint F180d is a versatile full-motion wall mount solution for most 47" – 70" flat-panel TVs up to 45kg. Its full range of movement allows smooth extend, tilt, swivel and roll motions up to 38cm from the wall without the use of tools.

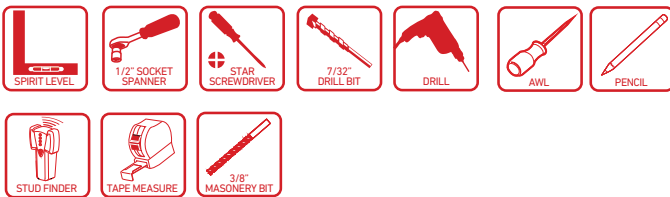

The F180d tilts +11° / -12° with the touch of a finger, making it easy to reduce glare. Cable management tie clips conceal and organize cables the length of the mount for a seamless appearance. Lateral shift ensure perfect TV placement, even with off-center wall studs.
