

PowerHD Link (Full Kit)

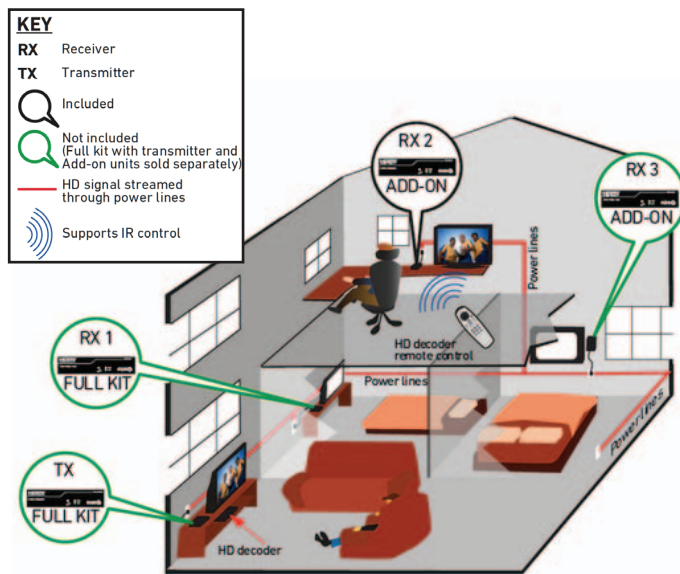

Product Code: BPHDMIOP1
Barcode: 600284406 0343

PowerHD Link (Full Kit)

The PowerHDLink system consists of a receiver and transmitter that deliver HD video and audio from HD set top boxes (HD satellite decoders, Blu-ray, video game consoles, DVD players) to compatible HD displays located near power outlets in your home. No wires necessary.

Note that it must be on the same Electrical/wiring phase. Must be connected directly to plug point, no multi-plug.

- Incorporates HDMI™ technology**
 Built for HDMI devices (HDPVR and Blu Ray DVD players).
- Uses existing power lines**
 Transmit HD Video anywhere in your home using your existing power-lines. No additional wiring necessary. Must be on the same electrical phase.
- Supports multiple receivers**
 Install multiple receivers in your home and avoid the complexities of rewiring your house or buying new Video Equipment for each viewing room. Can be expanded up to 3 receivers.
- Built in IR technology**
 Allows you to use IR Remote controls to control your equipment remotely using IR signals

TECHNICAL INFORMATION

System		
Video compression:	H.264 level 4 (MPEG4)	
Audio compression:	MP2	
Incorporates:	HDMI and HDCP technologies	
Transmission PLC:	Supports HomePlug AV with 200Mbps PHY rate	
Video transmission:	Supports 1 transmitter to multiple receivers (up to 4 receivers, for best performance switch on up to 2 receivers simultaneously. For short distances up to 3 receivers can be on.	
Video resolution		
59, 94i/60i/50i	1920 x 1080	
29, 98p/24p	1920 x 1080	
59, 94p/60p/50p	1280 x 720	
50p/50i	720 x 576	
59, 94p/59, 94i	720 x 480	
Audio		
Resolution:	16 bits	
Sampling rate:	44, 11, 48 kHz	
Input / Output	Transmitter	Receiver
Power:	AC power connector	
Input:	HDMI connector	-
Output:	HDMI connector	
IR:	IR Blaster	IR Sensor

PACKAGE CONTENTS

- 2 x PowerHDLink units
- 1 x Remote control
