

3-Way 20m Extension Reel with Medium Surge Protection 250V ~ 2 x 16A / 1 x 5A

Product Code: FEER20W16

Barcode: 6002844036355

- Medium level surge protection
- Overload Protection
- Safety shuttered for your protection
- Roll up reel design for neat and easy storage
- Carry handle for easy use
- Conforms to all South African National Standards

3-Way 20m Extension Reel with Medium Surge Protection

This 20m extension reel with 2 x 3pin (16A) sockets and 1 x Contour (5A) socket is ideal for extending an electrical connection for up to 20m. The overload protection ensures your connections are protected by cutting off during overloads and the reel also has medium level surge protection.

What is a surge?

A surge is an abnormal but temporary high voltage on the electrical mains caused by non-direct lightning strikes or from noise possibly produced by the use of heavy duty appliances, heavy duty machinery or large power tools. Don't risk losing your valuable equipment through surges, protect them with the Surge Safe Adaptor.
